ROADSHOW for the week beginning April 26, 2010

Inclement weather or other unforeseen circumstances may occur, so the information below is strictly of an advisory nature and is subject to change with no notice.

No interstate lane closures will be allowed in Jefferson County on Friday, April 30th for the Kentucky Oaks and Saturday, May 1st for the Kentucky Derby

Pothole patching, sweeping, drain & ditch cleaning, pavement marking, and maintenance crews may work on major interstates in the Louisville Metro area only during non-peak daytime hours and at night. Motorists should watch for roadside maintenance and pavement marking crews on interstates and highways throughout the rest of the district on a daily basis.

Jefferson County:

Interstate 264/Interstate 64 interchange: Westbound I-64 is reduced to one lane just west of 22nd Street (mile point 2.60) to the Sherman Minton Bridge due to ramp replacement. These lane closures will remain in place until 9:00 p.m. on Thursday, April 29, 2010. **Entrance ramp from Bank Street to westbound I-264 is at a STOP condition, no longer a merge condition.** Intermittent lane closures possible on Northwestern Parkway underneath I-264.

Interstate 64: Construction delays possible between I-265 and the Jefferson/Shelby County line (mile points 18.8 and 23.9) due to roadway widening. The speed limit is reduced to **55 MPH** in the construction zone and this is a **double fine work zone**. Construction is scheduled for completion in the fall of 2010. As part of this project, **Clark Station Road is closed at the I-64 overpass. The road is closed until November for removal and replacement of the bridge. Motorists should follow the signed detour via US 60 to Conner Station Road (in Shelby County) to KY 148.**

Interstate 65: Lane closures and delays are possible in both directions between the Bullitt/Jefferson County line and ½ mile north of the Outer Loop (mile points 123.1 and 127.5) due to roadway striping. Mobile striping operation will be utilized during daytime hours.

Interstate 264: Shoulder closures possible between US 60 and US 42 (mile points 19.8 and 22.2) due to construction of an interchange at Westport Road. Watch for construction vehicles entering and exiting the roadway. The **speed limit is reduced to 45 MPH** in the construction zone. Lane closures and delays are also possible on Westport Road between Hubbards Lane and I-264 (mile points 0.9 and 1.9). Speed limit on Westport Road has been **reduced to 25 MPH** in the construction zone. Construction is scheduled for completion in the spring of 2010.

Interstate 71: Lane closures and delays possible due to sweeping of the shoulders.

US 31 (Clark Memorial Bridge): Lane closures and delays possible due to bridge inspection. **Lane closures scheduled for Tuesday, April 27th through Friday, April 30th from 9:00 a.m. until 3:00 p.m. each day.**

US 60A (Eastern Parkway): Roadway is **closed** between Hahn Street and the entrance to the J. B. Speed School of Engineering (mile point 3.8 to 3.7). This closure will allow for extensive repairs to the bridge over the CSX Railroad. Motorists should follow the signed detour via Crittenden Drive, Central Avenue and Third Street (KY 1020).

KY 1703 (Newburg Road): Roadway is reduced to one lane in each direction at Produce Lane (mile point 0.99) due to bridge repairs.

KY 1819 (Ruckreigel Parkway): Lane closures and delays possible between Taylorsville Road and Blankenbaker Parkway (mile points 9.3 and 9.9) due to installation of traffic loops. Lane closures possible weeknights from 7:00 p.m. until 6:00 a.m. the following morning.

Bullitt County:

Interstate 65: Lane closures and delays are possible in both directions between the KY 61 underpass and the Bullitt/Jefferson County line (mile points 118.5 and 123.1) due to roadway striping. Mobile striping operation will be utilized during daytime hours.

Interstate 65: Lane closures and delays possible in both directions between mile point 110.7 in Bullitt County and mile point 102.1 in Hardin County due to roadway striping. Mobile striping operation will be utilized during daytime hours.

US 31EX: Lane closures and delays possible along entire route (mile point 0 to 2.4) due to roadway striping.

KY 1494 (Beech Grove Road): Roadway is **closed** at the bridge over Long Lick Creek (mile point 5.5) due to bridge replacement. Motorists should detour the area via KY 61.

Franklin County:

US 60 (Capital Avenue Bridge): Lane closures and delays possible on the bridge (mile point 8.4) due to bridge repairs and painting. One lane of traffic in each direction will be maintained.

US 421 (Leestown Road): Construction delays are possible between Chenault Road and US 60 (mile points 1.5 and 3.0) due to roadway widening. Motorists should watch for construction vehicles in the area. Construction is scheduled for completion in the fall of 2010.

Henry County:

Interstate 71: Lane closures and delays possible due to sweeping of the shoulders.

KY 22: Lane closures and delays possible at the Kentucky River Bridge near the Owen County line (mile point 22.4) due to construction of a new bridge. Lane closures and delays are also possible on KY 355 in Owen County at mile point 6.6.

Oldham County:

Interstate 71: Lane closures and delays possible due to sweeping of the shoulders.

US 42, KY 22, KY 53, KY 146: Lane closures and delays possible due to pothole patching.

KY 524: Shoulder closures and delays possible between mile point 6 and 8 due to ditch cleaning.

KY 1694: Shoulder closures and delays possible between mile point 0 and 2 due to ditch cleaning.

Shelby County:

Interstate 64: Construction delays possible between the Jefferson/Shelby County line and the Simpsonville exit (mile points 23.2 to 28.1) due to roadway widening. **The right lane of westbound Interstate 64 will be closed from 7:00 p.m. on Tuesday, April 27th until 6:00 a.m. on Wednesday, April 28th due to pavement repairs.** The speed limit is reduced to **55 MPH** in the construction zone. Construction is scheduled for completion in the summer of 2011.

Shelbyville Bypass construction: Construction delays are possible at Harrington Mill and KY 53 due to bypass work. Temporary diversions have been constructed at these roadways.

Spencer County:

KY 1060 (Plum Creek Road): Lane closures and delays possible between Plum Creek Bridge and KY 1319 (mile points 1.65 and 5.16) due to roadway milling and resurfacing. Lane closures possible weekdays from 7:00 a.m. until 6:00 p.m.

KY 1169 (Plum Ridge Road): Lane closures and delays possible between mile points 0.65 and 1.80 due to roadway milling and resurfacing. Lane closures possible weekdays from 7:00 a.m. until 6:00 p.m.

KY 1319 (Dale Lane): Lane closures and delays possible between the Bullitt/Spencer County line and Spinpointe Road (mile points 0.0 and 2.1) due to roadway milling and resurfacing. Lane closures possible weekdays from 7:00 a.m. until 6:00 p.m.

Trimble County:

Routine maintenance
